

Dear Mr. Dodd,

3/28/92

As a matter of principle rather than indicating any support of approval of this newest of Olver Stone's exploitations and commercializations of the JFK assassination - of which he remains ignorant of the fact, in which he never had an interest - here is my signed permission to use my letter to the Washington Post of 1/11/92.

If this book is what he was referring to when he said he'd prepare the script for use in schools, ugh!

I am not familiar with your practise relating to credit lines so I've left that blank.

I am the author of six books on the JFK assassination, Whitewash I-IV, Oswald in New Orleans, and Post Mortem; and of Frame-Up on the assassination of Martin Luther King, Jr.

If you want more, I have obtained about a third of a million pages of once-withheld official records relating to these crimes and their investigations, by a series of Freedom of Information Act lawsuits.

Sincerely,

Harold Weisberg
